**A SLICE OF VIENNESE HISTORY
A REGAL RECIPE**

“Oh, that he may not discredit me tonight!” – These words of Prince Metternich of Austria marked the beginning of the story of the Original Sacher-Torte in 1832. The court of Prince Metternich had requested a dessert for a special occasion, but the chef was ill at the time, so 16-year-old apprentice Franz Sacher filled in. The cake he created could not have been more delicious.

The Original Sacher-Torte is still hand-made using Franz Sacher’s original recipe to this day, and is best enjoyed with a dollop of unsweetened whipped cream. (Chocolate) dreams do come true!
